

Using Feedback

01

How do you create an action plan based on the feedback you receive?

02

Can you share an example of a time when you successfully implemented feedback?

03

How do you track your progress after acting on feedback?

04

Do you ensure the feedback you use leads to sustainable changes rather than short-term fixes? If so, how?

05

Can you share a time when you received feedback but decided not to use it?

06

How do you communicate to others that you have acted on their feedback?

07

Can you share an example of how using feedback led to your personal or professional growth?

08

What strategies do you use to integrate feedback into your weekly routines?

09

Have you ever provided feedback that someone used? What was it and how did it make you feel?

10

How do you reflect on the effectiveness of your actions based on feedback? How do you know the feedback is working?
