

Processing Feedback

Scenario 2

Role Play Setup

Student A: Project manager

Student B: Team member

Student A is a project manager who receives feedback from Student B, a team member, highlighting issues with leadership style, including poor delegation and lack of clear communication.

Questions for Student A prior to role-play:

1. How would you analyze and prioritize this feedback?
2. What changes would you implement to improve your leadership?

Questions for Student B prior to role-play:

1. How would you provide direct and kind feedback on leadership style, poor delegation, and lack of clear communication?
2. How could Student A receive this feedback in a way that made you feel respected?
