

# Using Feedback

## Scenario 2

---

## Role Play Setup

Student A: Employee

Student B: Supervisor

Student A is an employee who receives feedback from Student B, a supervisor, on areas needing improvement, such as time management and teamwork. Student A needs to develop and implement an action plan based on this feedback.

### Questions for Student A prior to role-play:

1. How would you create an action plan to address the feedback?
2. What steps would you take to ensure successful communication and implementation of the plan?

### Questions for Student B prior to role-play:

1. How would you clearly communicate this negative feedback?
2. How would you clearly communicate the need for Student A to create a plan?
